

ADDITIONAL BENEFITS

PORTFOLIO KEEPS YOU SECURE

CAR RENTAL ALLOWANCE- In the event of a breakdown of a covered component, you may be eligible for car rental allowance. Such expense shall be limited to \$35.00 per calendar day, a ten (10) day maximum, not to exceed \$350.00 per occurrence. To qualify for reimbursement, the covered vehicle must be retained by the repair facility overnight and the covered repair must exceed a minimum of eight (8) hours labor, as defined in factory or accredited flat rate manuals. Reimbursement for car rental shall not continue beyond the day on which repairs are completed and you are notified of completion. Valid rental agencies' receipts will be required for reimbursement.

TOWING REIMBURSEMENT- In the event towing is required because of a breakdown of a covered component, towing costs not payable by insurance will be covered up to \$175.00

LODGING- If you are more than one hundred (100) miles from home and repair to a covered component requires eight (8) hours of labor (must be an overnight repair), you may be eligible for lodging reimbursement, not to exceed \$60.00 per night, a four (4) night maximum and no more than \$240.00 per occurrence.

SERVICE CALLS- Only in the event of a breakdown of a covered component and in addition to the normal parts and labor charges, you are eligible to be reimbursed up to \$75.00 per occurrence for a remote service call. This cannot be combined with the towing reimbursement Upgrade Option.

Refer to your extended service agreement for all details of your benefits.

Have your extended service agreement in hand prior to calling our toll free number for roadside services or claims.

PORTFOLIO *PROTECTING YOUR HOME
FOR THE HIGHWAY*

COMPLETE PROTECTION FOR THE COMPLETE HOME

Protect Your Travel Budget from Unexpected Costs Like These.

Your Journey. Priceless.

PROTECT YOUR HOME FOR THE HIGHWAY FROM UNEXPECTED REPAIR AND REPLACEMENT COSTS

Component System	Gas Motor Home	Diesel Motor Home
Engine	\$7,900	\$20,000
Transmission	\$3,500	\$8,000
Rear Axle	\$2,000	\$3,500
Refrigerator	\$2,000	\$2,500
Air Conditioning	\$2,200	\$2,200
Generator	\$3,500	\$6,000
Alternator	\$300-\$500	\$400-\$800
Leveling Hydraulics	\$1,100	\$2,100

PORTFOLIO'S STANDARD COVERAGE PROTECTS YOU ON THE 22 MOST IMPORTANT COMPONENT SYSTEMS Over 750 parts!

INCLUDES THE MOTOR VEHICLE SYSTEMS...

ENGINE - Gasoline: Internally lubricated parts: Bearings, pistons, piston pins and rings, valves, valve springs, valve spring retainers, timing chain or belt tensioners and rocker arms. Timing gear, oil pump, valve guides, followers, valve seats, rocker shafts, push rods, valve lifters, connecting rods, crankshaft and main bearings, camshaft, cam bearings and rocker bushings. Other parts: Water pump, fuel pump, engine mounts, engine cushions, exhaust manifold, intake manifold, front cover, harmonic balancers, vacuum pump, flywheel (flexplate), flywheel ring gear, dipstick and tube, pulleys and eccentric shaft. Engine block, cylinder head(s), cylinder barrels, oil pan and valve covers if they are damaged due to the failure of an internally lubricated part. **Diesel Engine:** All of the above parts plus fuel heater, fuel injection pump and fuel injectors. **Turbo Charger:** Internally lubricated moving parts contained within the turbo charger housing, and the turbo charger housing.

ENGINE COOLING/HEATING - Water pump including: Impeller shaft, bearings and bushings. Radiator, heater core, thermostat, fan, fan clutch, fan motor, controller module, coolant recovery unit, fan shroud, electric block heater, heater ducts and cabins.

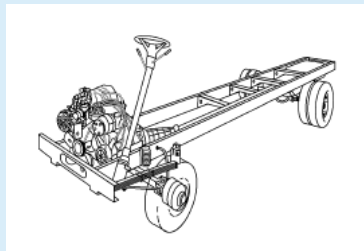

FUEL SYSTEM - Fuel pump, fuel injector pump, fuel injectors, fuel distributor, fuel tank(s), metal fittings, metal fuel lines, fuel pressure regulator, vacuum assist booster pump and auxiliary tank switch.

AUTOMATIC OR STANDARD TRANSMISSION - All internally lubricated parts contained within the transmission case; torque converter, pump, drums, reaction carrier, shafts, hubs, gears, shift rails and forks, internal linkage, bearings and internal seals. Transmission mounts, vacuum modulator, oil cooler and cooler lines (excluding rubber hoses), filler tube and dipstick. The transmission case, housing and oil pan, if the damage results from the failure of a covered component.

DRIVE AXLE ASSEMBLY (front or rear) - All internally lubricated parts contained within the drive axle housing; hub, axle and non-serviceable bearings, drive gears and clutches. Constant velocity joints, universal joints, axle shafts, drive shafts, retainers and supports. The axle or transaxle housing, if the damage results from the failure of a covered component.

SUSPENSION - Upper and lower control arms, king pins, control arm shafts and control arm bushings, spindle, spindle supports, coil and leaf springs, torsion bars, stabilizer shaft links or bushings, strut bar, rod or link, steering knuckles, wheel bearings, strut and strut bushing (except strut cartridges), leveling compressor, relays, height sensors, compressor lines and air bags.

STEERING - Internally lubricated moving parts contained within the steering box. Rack and pinion gear, power steering pump, power cylinder assembly, pitman arm, idler arm, steering column, bearings, tie rod(s), drag link, center link, steering damper, control valve and cylinder, cooler, cooler lines, main and intermediate shaft and coupling.

BRAKES - Master cylinder, power brake cylinder, vacuum assist booster, booster pump, wheel cylinders, disc brake calipers, combination valves, equalizer valve, hydraulic control unit, backing plates, rear actuators, springs, clips, retainers, self adjusters, parking brake linkage and cables, hydraulic lines and fittings. Air Brakes: The compressor, tank, auto bleeder valve, diaphragm, treadle, slack adjusters, disk calipers and compensating valve.

AIR CONDITIONING (DASH) - Compressor, compressor clutch, compressor switch, clutch coil, idler bearings, evaporator, condenser, condenser fan motor, receiver-dryer, accumulator, programmable temperature control, POA valve, expansion valve, suction valve, orifice tube, power module, blower motor, blower motor fan, high/low cut off switches, pressure cycling switch, pulley, duct and duct outlets.

ELECTRICAL - Generator or alternator, voltage regulator, starter motor, starter solenoid, starter drive, relays and solenoids. Battery paralleling switch, battery isolator, back up alarm and switch, distributor assembly and factory installed power converter/inverter. Front and rear wiper motors, front windshield defroster, power mirror motors, power seat motors, power door lock actuators and solenoids, power window motors and regulators and power antenna motor. Turn signal switch, horn(s) and horn switch, cruise control and dashboard clock. Manually operated switches, amp/volt gauge, oil pressure gauge and sending unit, temperature gauge and sending unit. **New Vehicles Only:** Breaker box(s), breakers and wiring harnesses for covered components (excluding power cord).

ELECTRONIC HIGH TECH - Fuel injection sensors, fuel injection control module and injectors, electronic ignition module, electronic mixture control unit and sensors, electronic driver information display and module, electronic anti-detonation sensors and controller, electronic anti-lock brake computer, actuator and wheel speed sensors.

SEALS AND GASKETS - (NEW VEHICLES ONLY) - Seals and gaskets for covered components, which prevent the loss of fluids, lubricants or refrigerants.

...AND THE HOME COMFORT SYSTEMS

WATER SYSTEM - Water pump, sink(s), sink faucet, shower faucet, shower head, holding tank(s), PVC piping, traps, fittings, connections, and gate valves.

HOT WATER HEATER - Burner assembly, tank, thermostat, thermocouple, heating element, gas valve, pressure relief valve, electronic ignition, fittings, connections, wiring harness, switch and the PC board.

WASTE SYSTEM - Toilet vacuum breaker, float assembly, ball valve, slide valve, the water inlet valve, gate valves, fittings, connections, and the holding tank.

LP GAS SYSTEM - Regulators, valves, gauges, pigtailed, fittings, connectors, gas lines, automatic shut off and mounting brackets.

RANGE/OVEN - Burner assembly, thermostat, thermocouple, burner valves, igniter, power hood, fittings, connections and the PC board. The following components of the Microwave oven: transformer, magnetron, fan and the PC board.

REFRIGERATOR/FREEZER - Thermostat, thermocouple, burner assembly, igniter, cooling unit, fittings, connections and the PC board.

HEATING/FURNACE - Thermostat, thermocouple, main gas valve, igniter, burner assembly, igniter, blower motor, fittings, connections, ducts, duct work and the PC board.

AIR CONDITIONING (roof mounted 110v or Central Air) - Compressor, condenser, evaporator, receiver-dryer, accumulator, expansion valve, capacitors, relays, blower motor, blower motor fan, high/low cut off switch, pressure cycling switch, electronic module, thermostat, PC Board, vent fans, ducts and duct work.

AUXILIARY GENERATOR - Internally lubricated moving parts including: Pistons, piston rings and pins, crankshaft and main bearings, connecting rods and rod bearings, valve springs, guides and seats, oil pump, camshaft, timing chain gears and/or belt, tensioners and rocker arms. Engine block, cylinder head and cylinder barrels are covered only if they are damaged due to the failure of a covered part.

FRAME - LP mounting bracket, bumper welds, all chassis frame welds, manual lift-jacks, latch and lift crank.

ADDITIONAL PARTS: Starter, switches, hour meter, voltage regulator, gauges and the PC board.

AND PORTFOLIO OFFERS OPTIONAL COVERAGE FOR THE OTHER SYSTEMS FOR YOUR HOME ON THE ROAD- A TOTAL OF 250 MORE PARTS!

Choose any or all of these UPGRADE OPTIONS

1 DELUXE APPLIANCE - Washer and Dryer: Drive motor, transmission, pulley, heating element, igniter, main controls, blower and water pump; **Dish Washer:** Drive motor, pulley, heating element, and water pump; **Ice Maker:** Condenser, compressor, ejector motor, gears, bearings, thermostat and relays; **In-Sink Disposal:** Motor, flywheel, hammer, shredder and power switch; **Trash Compactor:** Compactor motor, compacting ram(s) and relays; **Central Vacuum Cleaner:** Electric motor, armature and relays; **Kitchen Center:** (Blender and Food Processor) Electric motor and the control switches; **External Barbeque:** Burner, igniter and the control valves; **Rear Camera and Driver Monitor;** **Portable Carbon Monoxide/Smoke Detector.**

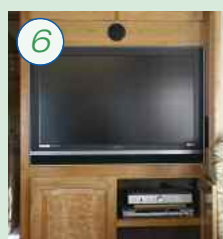

2 HYDRAULIC/ELECTRIC LEVELING JACKS - Electric motor, pump, jack assembly, control switches, sensors, actuator, lines, fittings, connections, cylinders, worm gears, tracks, electric switch and wiring harness.

3 ULTRA ELECTRONIC HI TECH (NEW VEHICLES ONLY) - Electronic Entrance: Transmitter, touchpad, actuators, solenoids, servos and computer; **Thermometer, Compass and Power Seat Computer;** **Anti-theft:** Remote transmitter, audible device and relay.

4 HYDRAULIC/ELECTRIC SLIDE OUT ROOMS - Electric motor, pump, jack assembly, control switches, sensors, actuator, lines, fittings, cylinders, worm gears, tracks, electric switch and wiring harness. **THE SAME COMPONENTS ARE COVERED IN RAISED ROOF APPLICATIONS.**

5 WHEELCHAIR LIFT (NEW VEHICLES ONLY) - Electro-hydraulic motor, hydraulic pump, power control switch, manual hand pump, pressure release valve, steel frame and frame welds, locking handrails, actuator and relays.

6 AUDIO/VIDEO (NEW VEHICLES ONLY) - Television: (32" or less): Circuit boards, CRT power supply, control panel, picture tube and the tuner; **AM/FM Stereo with cassette deck and/or CD player:** Circuit boards, power supply, tuner assembly, heads, motors and amplifier; **VCR/VCP:** Circuit board, CRT power supply, control panel, tape guide motor and video and audio heads.

7 SEALS & GASKETS (USED VEHICLES ONLY) - Seals and gaskets on covered components which prevent the loss of fluids or refrigerants.

8 DELUXE TOWING (NEW VEHICLES ONLY) - In the event of a covered breakdown, you will be reimbursed for reasonable towing charges incurred to tow the covered vehicle to a repair facility. Maximum allowance is \$400.00 per occurrence.

COMPLETE PROTECTION FOR THE COMPLETE HOME

THE ADVENTURE IS NOT IN WORRY, BUT IN WONDER

See the back page for additional benefits included in your Portfolio extended service agreement.
